

DOWNTOWN PARKING WORKSHOP

The Foxborough Planning Board will sponsor a presentation by Sarah Kurpiel, Transportation Engineer and Planner from the Metropolitan Area Planning Council, on the parking situation in Foxborough downtown. The workshop will include an inventory of public and private parking, the location of existing parking and the potential for additional public parking, a discussion of the amount of parking needed both today and in the future, and particularly look at the inclusion of other modes of transportation.

Date: Thursday, November 1, 2012

Time: 7:00 – 8:30 P.M.

Location: Town Hall Meeting Room
40 South Street
